The Board of Directors
Raw Jute Trading & Industries Limited
90 / 31, Diamond Harbour Road,
Kolkata – 700 038.

Report on Limited Review of the unaudited financial results of the company for the three months ended 31st March 2021

We have reviewed the accompanying statement showing unaudited financial results of Raw Jute Trading & Industries Limited for the three months period ended 31st March 2021 initiated by us for the purpose of identifications. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors.

A limited review of interim financial information consists principally of applying analytical procedures for financial data and making enquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards followed in India, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

- The aforementioned results were approved by the Board of Directors at their meeting held on 30th June 2021 at Kolkata.
- As the Company's business activity falls within a single significant primary business segment i.e., Trading of Tea, no separate segment information is disclosed.
- The format for un-audited quarterly results as prescribed in SEBI's Circular CIR/CFD/CMD/15/2015 dated 30th November has been modified to comply with the requirements of SEBI's circular no. CIR/CFD/62/2016 dated 5th July, 2016.
- The figure for the last quarter are the balancing figures between the audited figures in respect of the full financial year and the year to date figures up to the third quarter of the current financial year.
- The spread of COVID-19 has severely impacted businesses around the globe, including India. There has been severe disruption to regular business operations due to lock-down, disruption in transportation, supply chain and other emergency measures. The company's offices are under lockdown since 24th March, 2020 and plants are running with curtailed production and manpower as per requisite permission from local administration. As a result the volumes for the month of Mar'2020 and period upto the board meeting has been impacted. The company is monitoring the situation closely and operations are being ramped up in a phased manner taking into account directives from the Government. The management has considered internal and certain external sources of information up to the date of approval of the financial statements in determining the impact of COVID-19 pandemic on various elements of its financial statements. The management has used the principles of prudence in applying judgments, estimates and assumptions and based on the current estimates, the management expects to fully recover the carrying amount of inventories, trade receivables, investments and
- The Taxation Law (Amendments) Ordinance 2019 ('the Ordinance'), provides an option to domestic companies to pay income-tax at a lower rate of 22% (plus applicable surcharge and cess) instead of the normal rate of 25% (plus applicable surcharge and cess) depending on the conditions specified in this behalf under section 115 BA of the Income Tax Act, 1961. A domestic company can avail of the lower tax rate only if it opts for not availing of certain exemptions or incentives specified in this behalf in the Ordinance. There is no time limit prescribed under the above to choose the option of lower tax rate under section 115BAA, however, once chosen it is irreversible.
Based on the Management estimates, the Company has determined that exercising the option of lower rate will not give any significant benefit at this point of time. Hence, the company has provided for Income tax as well as deferred tax at a normal rate applicable to company.
- The statement of Asset & liabilities and statement of cash flow is attached herewith.
- The previous period figures have been regrouped/rearranged wherever necessary, to confirm to the current period figures.
