The Board of Directors
Raw Jute Trading & Industries Limited
90 / 31, Diamond Harbour Road,
Kolkata – 700 038.

Report on Limited Review of the unaudited financial results of the company for the three months ended 31st December 2021.

We have reviewed the accompanying statement showing unaudited financial results of Raw Jute Trading & Industries Limited for the three months period ended 31st December 2021 initiated by us for the purpose of identifications. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors.

A limited review of interim financial information consists principally of applying analytical procedures for financial data and making enquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards followed in India, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

- The aforementioned results were approved by the Board of Directors at their meeting held on 10th February 2022 at Kolkata.
- As the Company's business activity falls within a single significant primary business segment i.e., Trading of Tea, no separate segment information is disclosed.
- Provision for income tax & deferred tax will be consider at the end of year.
- The spread of COVID-19 has severely impacted businesses around the globe, including India. There has been severe disruption to regular business operations due to lock-down, disruption in transportation, supply chain and other emergency measures. The company's offices are under lockdown since 24th March, 2020 and plants are running with curtailed production and manpower as per requisite permission from local administration. As a result the volumes for the month of Mar'2020 and period upto the board meeting has been impacted. The company is monitoring the situation closely and operations are being ramped up in a phased manner taking into account directives from the Government. The management has considered internal and certain external sources of information up to the date of approval of the financial statements in determining the impact of COVID-19 pandemic on various elements of its financial statements. The management has used the principles of prudence in applying judgments, estimates and assumptions and based on the current estimates, the management expects to fully recover the carrying amount of inventories, trade receivables, investments and other assets. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements.
- The statement of Asset & liabilities and statement of cash flow is attached herewith.
- The previous period figures have been regrouped/rearranged wherever necessary, to confirm to the current period figures.
